OIL GAS & MINING**

Dear Ms. Grubaugh-Littig:

Re: Upper Bear Canyon Intake and Fan Portal, Bear Canyon Mine, Co-Op Mining  
Company, AGT/015/025, Emery County, Utah

#2  
This proposal is made at the request of Co-Op Mining Co. The referenced portal has been backfilled and reclaimed as indicated in appendix 3-J. Please contact Charles Reynolds at the mine to arrange for an inspection.

Attached are two copies of proposed revised pages 1-2, 3-iv, 3-2, 3-86, and 3-87. These pages have been revised to indicate the reclamation of the portal and subsequent minor reduction of bonding. This proposal also involves removal of Appendix 3-J as indicated on page 3-iv. Pages have been marked "DRAFT" to differentiate them from those previously approved.

If there are any questions concerning this matter please contact me or Mr. Reynolds.

Thank you,

Kimly C. Mangum, P.E.  
Permitting & Compliance Consultant.

Ms. Grubaugh-Littig,

Enclosed please find a proposal designed by Mangum Engineering Consultants for a PAP modification and/or violation abatement. Please review and notify Co-Op Mining Company upon approval of the attached proposal. Thank You.

Sincerely,

Wendell Owen  
Resident Agent
